Truth

2016 Fake News

2020 Fake covid

2020 Fake Election results

2021 Fake President

2021 Fake Government

2022 We Need real Military Action

**Oath or no oath Each American has a responsibly to share the TRUTH.**

I spoke clearly to close friends and family and they refused to listen.

I buried a younger Brother 12 months ago.

Many More Will Die that are close to me.

Our heavenly Father Gave each of Us free will.

=====

**Operation Warp Speed was not about the Virus.**

**And never Was.**

**It's About Cleaning Up this God given vessel We Are Living On.**

=====

Seeing these deaths are heart breaking.

This is Why We Need to Stand Together More Now than Ever .

We are in the Waning Hours of this war and Some one is Quibbling.

About what President Trump Said.

It's About a Quick Victory and Not a Long Drawn out Battle.

We have all be Slaves for Generations.

And sure there will be casualty.

**Any Body that has be educated in this or that field of work.**

**Should clearly understand that they own a piece of the results of such work.**

If any body in the Military wants out today.

Resign your Post freely.

How many have Died for no reason that have served this country.

As Cannon fodder for the rich in all of the previous wars.

Serving Today is Truly Not In A cannon Fodder Event.

I Am Standing Against This World wide Evil By My self.

**The feared lone Wolf**

And Have Been for Most of My life.

Fact The Michigan Cabal Tried to take me and My family out Many times.

And Each time I stood up Straight and Took every blow they could Give Me.

Why .

**Because they thought they were Attacking a Dumb Dirt Farmer.**

That only Went 4 days in 11 grad in School.

It's Interesting My point of View in all of these actions.

I would Watch from the Side lines and record every one of their moves against me.

And even With President Trump in Office the Michigan war Continual.

**On March 8 2021 learning the Insurrection Act was Proclaimed**

**on Jan 6 2021 By President Trump.**

**It Was Go Time For Me to take Out the State of Michigan.**

And My Oath is To My Creator and to Defend all of His Creations

Search My Name and enjoin with me.

Share Hope and Courage To your Family and Neighbor.

Defend The Poor and Weak .

And Get ready for the Day that is Coming for Rejoicing and Celebration.
